LSC MUSIC VISIT

Year 8 students from LSC came to visit our grade four students in music to learn about a program we use on iPads in music. It was a fantastic opportunity for our students to impart some of their learned skills on their older peers.

Later in the day, year 8s came to visit the music room to share what they had learned earlier, with our grade one students about music technology. It's fantastic to see our schools working collaboratively through performing arts under the umbrella of the LEP.

MESLEY HALL ENTRANCE NOT A DROP OFF AREA

We have had some parents driving down the Mesley hall entrance to the school and dropping their children off outside the grade 2 building. This is not allowed as there are often children walking in to school and playing in that area. We do not want any of our students being hit by a car so please do not drive into this area.

BUX WEAR – UNIFORM ORDERS

Recently we have had enquiries regarding the delivery of uniform orders from Buxwear. Parents have been notified that their uniform order has been delivered to LPS.

The majority of Buxwear orders are delivered to our office on a Thursday or Friday each week. All items will be delivered to the students classroom to take home.

UNIFORM

The uniform is available to purchase online from Buxwear
