Mother’s Day Stall

To celebrate Mother’s Day this year we are holding a Mother’s Day Stall.

Children will be able to purchase a special gift package for their wonderful Mums, Grandmother’s, Nan’s and special Friends.

All Gifts Packs are $5.00 each.

The Mother’s Day Stall will be held on Wednesday 27th April and Thursday, 28th April.
Children will be taken to the stall in class groups by their Teachers at allocated times.

Please send along money on the day or you can send your money along to school earlier. Just make sure all money is put into a clearly labelled envelope and given to your class room teacher who will hold onto it until the day of stall.

Thankyou for your support

**WHY CONSIDER CHRISTIAN TEACHING?**

The majority of Australians believe in God, or have a sense of God, even if they do not belong to a formal religious church. Your child has this sense of God too.

At Leongatha Presbyterian Church, we want our church to be a place where your child can explore the Christian heritage of our Nation, and learn from the Bible the Christian values that have provided a solid foundation for our society. If you want your child to be more familiar with what underpins the Christian Heritage of our Nation, and learn from the Bible the Christian values that have provided a solid foundation for our society, your child should find this program very beneficial.

**HELPING YOUNG ONES TO MAKE GOOD LIFE DECISIONS**

Christian teaching can be invaluable in the process of shaping a child’s ethical and moral framework, and helping them make sense of the world. It provides guidance in the areas of relationships and personal moral growth based on a biblical world view. The Christian faith acknowledges that people have the capacity to choose wisely or foolishly and need a moral framework to guide decisions in every area of their lives. Your child should find this aspect very helpful for their life ahead.

**SUITABLE FOR CHILDREN IN PREP - YEAR 7**

The materials to be used in this program were prepared for use in a Christian Religious Education resource in NSW public schools. They are tailored for children from their first year of preschool through to year 2. They have been translated into the Australian Curriculum, have been adjusted for the program and contextualised with local content. If you would like the program to be delivered in English, please phone the church.

There is NO COST to parents for any part of the program.

**EXPERIENCED LEADERS**

Our leaders have experience in one of more of children’s holiday programs, after school programs and teaching BSL in schools. All leaders over 18 will have worked with Children in Churches and will have undergone the Safe Church training of the Presbyterian Church in Victoria.

Please note that we are not running an BSL program that is in any way subject to the requirements that the Victorian Government places on BSL in state schools. Would you have any queries in this regard or any other matter, please do not hesitate to contact us.
