FROM THE PRINCIPAL

THANK YOU TO OUR RETIRING SCHOOL COUNCIL PRESIDENT TIM KEMP:

Tim has been on our School Council as Treasurer from 2006-2009 and as President from 2010 – 2017. Tim no longer has children at our school and therefore he is leaving the position as School Council President. Tim's commitment to our school over so many years has been immeasurable. Tim is a very busy man, but as they always say, ask the busiest person you know to get the job done - and Tim always did. Tim has been a huge part of organising our school fete's, working bees, supporting and organising the move to the new school site we are on and so many more things over the many years. I would like to thank Tim for all his hard work and dedication to the students, staff and families of Leongatha Primary School. Most

of all, we are going to miss Tim's friendly and energetic presence, his organisational and professional skills and his thoughtful communication. Tim, thank you for your commitment to Leongatha Primary School and our community. - **Dot Coghlan**

GOODBYE AND HAPPY HOLIDAY JANE:

Our Chinese teacher, Pei Laoshi, will be taking next term off to travel. We wish Jane and her daughter Jenny a wonderful holiday and hope that she enjoys safe and exciting travels. Jane's position in the Chinese room will be filled by Jarrod Pinkerton who will be working with the children on a Chinese Cultural Program and reinforcing the Chinese language.

SCHOOL COUNCIL

School Council conducted their AGM last night, followed by the first meeting of the new School Council. Welcome and thank you to our continuing and new school councillors.

President Andrea Clifford
Treasurer Tim Bolge

Vice President Ian Marshman

Parent Members: Emma Stevic, Kasie Rump, Adam Martin, Brenton Williams, Jodie Brown, Michelle Boyle, Marshall Livingstone

BE A LEARNER
BE RESPECTFUL
BE RESILIENT

LPS SCHOOL COUNCIL PRESIDENT

I am proud and privileged to be elected your School Council President for 2018. Having previously been employed as an Executive Officer, and serving for over 5 years on the Building and Grounds Sub-committee, with two children currently enrolled at the school I feel I am in a solid position to lead School Council through what we hope will be a productive and enjoyable year.

The LPS School Council aims to help improve student-learning outcomes, foster our dedicated teaching staff, lead school community conversations about key issues and challenges in education and promote meaningful parent and community participation at the school.

Your 2018 school council consists of a diverse mix of parents and teachers, who will support and challenge each other to ensure we deliver the best outcomes possible for LPS, whilst ensuring a united approach to continual school improvement.

With over 630 students to challenge and grow, we can only do this with the help and encouragement of around 50 teachers and support staff, the engagement of our extended local community and the many networks extending from our active fundraising sub-committee.

At LPS there is genuine parent engagement and involvement in your child's learning journey, and we encourage the entire LPS community to get involved with the school. For those families already part of LPS, I know that you are already committed and engaged as much as you can be, and trust that your children are getting the most out of their time at LPS.

I look forward to working with you during my term as School Council President.

Andrea Clifford - 2018 School Council President.

WALA PERFORMANCE

WALA means Life

Three South African musicians shared a loud and engaging performance show casing different musical instruments and vocals.

They asked the audience to get involved and students learnt how to progress through the musical levels, harder than it looked!

Everyone enjoyed the upbeat and culturally inspiring performance.

NO REHEATING/HEATING OF FOOD FROM HOME

Due to OH&S regulations we cannot heat/reheat food at school brought from home. eg. noodles, soups etc. We ask that parents do not send food to school that needs to be heated or reheated.

Reading At Home... Can Make A HUGE Difference!

Choose Books That Are At An Appropriate Reading Level For Your Child

- Use the five finger rule. Open the book to any page and ask your child to read. Put up a finger every time your child does not know a word. If you have put up more than five fingers before the end of the page, this book is too hard for your child.
- Choose books that match your child's likes and interests.

Make Reading A Part Of Your Family Time!

Family time is so important... Why not make reading part of this valuable time with your kids? Here are some tips for integrating reading into our daily family activities:

- Read bedtime stories
- Play a board game
- Visit your local library
- Read a recipe and cook something yummy together!
- Create a comfy reading space in your home.
- Put your child in charge of reading the grocery list at the store.

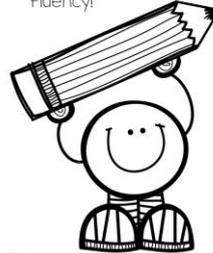

Keep plenty of reading materials in your home: books, magazines, newspapers, and comic books. Children enjoy having a variety of reading materials!

15-20 minutes is plenty for a beginning reader!

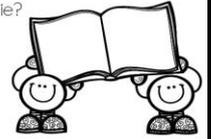

How To Read With A Beginning Reader:

- Encourage your child to use his/her finger to point to each word.
- Read a sentence and have your child repeat it.
- Take turns reading a sentence each or a page each.
- Talk about the story as you read it. What do you think will happen next? What does this story remind you of? How do you think this character feels?
- Don't be afraid to read the same book again! Repeated reading helps build reading fluency!

Check For Understanding

- ✓ Start the book by making predictions. What do you think will happen in this story?
- ✓ Ask questions and make comments during the reading process.
- ✓ After reading a book, have your child tell you the events from the story in the correct order.
- ✓ What was the problem in this story?
- ✓ How did the character feel when...?
- ✓ Encourage your child to make connections. Does this story remind you of another book you read, an event in your life, a movie?

Read Books Online!

There are many fun and interactive websites for literacy. Here are a few FREE online resources:

- www.starfall.com
- www.speakaboos.com
- www.spellingcity.com
- www.wegivebooks.org
- htp://interactivesites.weebly.com

Why Can't I Skip My 20 Minutes of Reading Tonight?

Student "A" reads 20 minutes each day	Student "B" reads 5 minutes each day	Student "C" reads 1 minute each day
3600 minutes in a school year	900 minutes in a school year	180 minutes in a school year
1,800,000 words	282,000 words	8,000 words
 90 th percentile	 50 th percentile	 10 th percentile

By the end of 6th grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?

NEED HELP?

WWW.LEADINGIMAGE.COM.AU | OFFICE@LEADINGIMAGE.COM.AU

Leongatha Primary School is collaborating with Smiles Onsite to promote healthier, happier smiles at our school! This incredible service is being offered for FREE under the Federal Government's Child Dental Benefits Schedule (CDBS), and comes along with the chance to grab some amazing prizes.

All students will be given a consent form to take home so that they can participate, and also so they can go in the draw to win prizes!!

How does it work?

The Child Dental Benefit Schedule grants all eligible parents with \$1000 worth of Medicare towards dental per child, over a two-year period. Eligible parents should receive a confirmation letter; however if you are still unsure, Smiles Onsite can check for you on completion of their consent form.

Can I make use of this service if I'm not eligible?

Of course! Smiles Onsite can do almost everything that your local dentist can do on board their state-of-the-art mobile clinic. If you would like them to see your child for a scale and clean, fillings, fissure seals etc., these services can be offered with NO GAP payable.

This service is a great opportunity to get kids into the habit of good oral hygiene, and we hope you're as excited about it as we are!

You can fill out the dental consent form for your son or daughter by inserting this link on the web browser -

<https://form.jotform.co/71720964845868>

If you have any further questions about this program or your eligibility, please contact Smiles Onsite directly on 1800 276 453.

- Hard copies have also been sent home today, please return to LPS office the first week of next term.
