ANZAC DAY

Our School Leaders Jeffrin Mathew, Katelyn Harris, Gabrielle Perry and Lachlan Gill, along with many other service groups and schools, participated in the Leongatha Anzac Day Service on Tuesday. Our students marched in the parade and laid a wreath at the Epitaph outside the Memorial Hall. A very wet and moving experience for them.

CARPARK

Car park outside the office:

The carpark outside our office area is a very busy and at times dangerous place after school.

We have had a number of young children wandering through there on their own at the end of the school day and it can be very dangerous and congested with cars driving in and out.

Please use the car park spaces on Nerrena Road at the front of the school, or on Horn Street to pick your children up at the end of the day.

MESSAGE FROM OUR CHAPLAIN

The importance of Fatherhood

It's a great time to be a dad.

Being a dad is important because it's an opportunity to empower the next generation of men and women to conquer whatever challenges may face them. It's an opportunity to help shape their future.

When fathers aren't a part of their lives, kids are more likely to get involved in harmful and destructive activities. On the other hand, giving children the paternal support they need helps them grow into confident, capable and healthy men and women.

All children deserve solid father figures in their lives, but far too many don't have them.

Children aren't the only ones who reap the benefits of these relationships; fatherhood is one of the most inspiring things in life. Watching my children grow into responsible and happy adults has been an indescribable joy.

It has also been great to share my passion for the sea with them. From their earliest days, we enjoyed the "great outdoors" whenever we had a chance – and we still do. These are things that are still a part of their lives today.

However you choose to spend your time, I encourage you to continue making fatherhood or mentoring a priority in your life. Do your part to help shape the next generation of happy, healthy Australians.

BEYBLADES

We have had quite a few problems with students playing with Beyblades at school. A number of children have lost their Beyblades or in some cases students have taken someone else's. If children bring their Beyblades to school they need to understand that it is up to them to take care of them and as much as the yard duty teachers try to supervise the students we cannot be watching out for all children's Beyblades. If you are concerned that your child might lose their Beyblades at school then please keep them at home.
