## PARENT, TEACHER & STUDENT INTERVIEWS

At Leongatha Primary School we believe that the learning is a partnership with student, teacher and parent and therefore we would like our students to be active participants in their interviews.

It is a wonderful opportunity for the students to talk about their goals and empower them to explain what they are doing in the classroom.

Our Parent, Teacher and Student interviews will be held on Tuesday the 26th of July from 3.30pm - 7.30pm and on Wednesday the 27th of July from 3.30pm - 5pm. **Bookings for the interviews are now available on Compass.**

## ***Volunteers Needed at Leongatha Primary School***

Leongatha Primary School has been running a very successful LAP program (Learning Assistance Program) for a number of years which many children have benefited from.

If you love working with children, seeing them progress with their learning then this volunteer role might be for you.

Leongatha Primary staff are seeking volunteers to help do some one-on-one or small group learning with students who need that extra bit of assistance with their Literacy skills. Our LAP program needs you.

You will be asked to work with a student on basic English skills, like learning and revising sight words and reading. All instruction, games and resources will be provided by the teacher of the student - no preparation work is required. You do not need any specific training in these areas, but just need to be a willing volunteer who is eager to work with students and learn how to assist them with their learning. You will be working with a student from either Prep - Grade 6.

The volunteer can be a parent, grandparent or family friend. The only requirement is that you have a Working with Children Check. If you would like to know more about the LAP Program, please contact Dot Coghlan or Maisie Horvath at Leongatha Primary School on 56674600. It only takes 30 minutes once a week, we'd love to see you at our school.
