WORKING BEE
Sunday, 11th September

LPS only working bee for 2016!!

When: This Sunday 11th September
Time: 9.30 Start – 12.00 but any available time to assist will be appreciated.

Some of the Jobs to be done:
- General Garden and Grounds Maintenance
- Whipper Snippering
- Tree Trimming
- Erecting of fences/barriers at soccer ground

We need your assistance even if it is only for an hour or so.

We encourage families to attend with their children if possible to make it a family orientated working bee to show our kids leadership in volunteering to make their school a better place. The students who have attended in the past have taken great pride and really enjoy the working bees. If we are required to pay for these jobs to be done, we may be forced in the future to pass this cost on in annual fees which we try to avoid by getting parent assistance.

The school council (ie the parent representatives of the school) appreciate your assistance and look forward to seeing you there.

GRADE 6 STORY WRITING

A STORM AT SEA

The boat rocked viciously through the night. I felt petrified as it swayed to and fro. I could hear the screeching noise of the engines at work, and the Commander barking orders at his troops. I heard people raising their voices over the alarms and sprinting towards safety.
As I touched the railing of the ship, it slightly tilted to one side. I slowly backed away from the bow, heading straight for the stern. I could smell smoke coming from below. No, I have to warn the passengers! The engine has caught fire! I reported to the Captain’s Lounge and BOOM!!!!!!! The ship has blown up into a MILLION pieces. I tried to save everyone, but, I had no time. Sophie Close 6E
What a perfect day we had for our Lapathon yesterday. Thank you to all the students, staff and parents for making it such a great day. Wonderful to see everyone running around the oval. SUCCESS IS A JOURNEY

Many people are motivated by the thought of the success of reaching their goals, achieving their dream. Whilst this is extremely positive, some become afraid of failure or even distressed when things don’t work out as well as they want. This is when it would be good to explain that success is a journey and not just a destination.

The life lessons that they will learn on the way to their chosen success destination, could well be more beneficial than the destination itself.

If their definition of success is getting a job as a news reader on television, for example – then think of the life lessons they will learn as they study journalism, do work experience on your local newspaper; apply for jobs at the talk back radio show; become a local correspondent for any happenings in your neighbourhood. Even if they never get to read news on the television they will have learnt many skills and talents on the way – they may not have achieved their dream but they will have experienced success.

Encourage them by motivating them towards their goal by taking small steps, celebrate each one and watch them grow and develop on the way.

- From our Chaplain – Paul Brailey

PROMPT ARRIVAL

The first bell goes at 8.45am so please ensure your child arrives by this time each day. We are concerned by the number of students arriving late to school and would like to stress the importance of arriving on time.

Late arrivals interrupt the rest of the class and children miss out on vital information at the start of the day.

LOST PROPERTY

There are currently quite a number of UNNAMED jumpers, etc. in the Lost Property boxes at school.

*Please note that all clearly named items will have been returned to your child.

*Could you please check that ALL your child’s belongings are clearly named.

They can then be returned to your child.

There is a Lost Property box near the Prep rooms and another at the end of the Grade 2/3 rooms (Building B).

You/your child are encouraged to check these boxes by the end of the term for lost items.

All unclaimed items will be displayed near the Performing Arts Centre (PAC), on Friday, 16th September (the last day of term) from 8:30 am till recess.

In 2016 the Victorian Government implemented a response package to assist dairy farming families. This included assistance for primary and secondary students attending schools (government and non-governments) where one or both parents:

- own an operating dairy farm;
- are share farmers on a property primarily operating as a dairy farm;
- hold a lease for an operating dairy farm;
- work as an employee on an operating dairy farm and this is their main source of employment.

This one-off payment of $375 per student is only available in 2106 and will be paid to the school for eligible students. The CSEF eligibility criterion is being extended consistent with the 2016 drought

Families that have previously qualified for the 2016 CSEF Drought assistance are not able to also access the CSEF Dairy assistance funding. The Dairy Assistance CSEF payment will be paid to the school that the student is currently enrolled at the start of Term 3 2016.

Eligibility for the dairy assistance is outlined on the application form. Parents can apply for the dairy assistance funding by completing the application form and lodging it with their child’s schools by 18 November 2016.

Applications are available at the office or can be downloaded on compass or our webpage under the parents tab and select Forms.
