CURRICULUM DAY 2016 Monday 31st October

LPS values Tolerance and Understanding, Respect, Responsibility, Excellence, Inclusion, Honesty, Care and Trust.

RESILIENCE

We can't always prevent difficult circumstances in life, resilience the ability to find a way to get over the hurdle. In our affluent society, children can be surrounded by lots of things. For many, they never have to do it tough. One of the down sides to this is children lack resilience. Resilience is the ability to.......

Keep going, not to give up Adapt Keep thriving Learn from our mistakes Become stronger Deal with it

<u>6 Keys for resilience - Children do best when they</u> have

- 1. A Secure base
- 2. Social competencies modelled
- 3. Positive values modelled

Children can't model what they can't see. These first three mean the adults in their lives are consistent, trustworthy, and dependable: setting an example of courage and determination in the face of challenge.

- 4. Develop Talents and Interests
- 5. Encouraged to develop friendships
- 6. Education

Parents who help their children find stimulating clubs and activities outside of school as well as encouraging friendships that are healthy are providing opportunities for them to learn and grow in a positive environment. Parents would do well to become informed on resilience and how to best model it for their families.

From our Chaplain - Paul Brailey

LOST PROPERTY

There are currently quite a number of UNNAMED jumpers, etc. in the Lost Property boxes at school.

- *Please note that all clearly named items will have been returned to your child.
- *Could you please check that ALL your child's belongings are clearly named.
 They can then be returned to your child.

There is a Lost Property box near the Prep rooms and another at the end of the Grade 2/3 rooms (Building B).

You/your child are encouraged to check these boxes by the end of the term for lost items.

All unclaimed items will be displayed near the Performing Arts Centre (PAC), on Friday, 16th September (the last day of term) from 8:30 am till recess.

COOKING SESSION

As a celebration of hard work this term, a group of Prep students were rewarded by participating in a cooking, craft and woodwork group. A big thank you to Mr. Jim, Tenille Richards, Lucy Francis and Kaye Tumino for volunteering their time and expertise. The children had a wonderful time and you could not wipe the smile off their faces.

CANTEEN DUTY

Gaynor Greenaway, Janine Lowe

We still need volunteers for Canteen Duty, hours are 11:00am till 1:00pm, please call the school if you are available to help.

INTRODUCING...

MOORRAY COWBURN

How Do I Use/Scan QR codes???

To use QR codes conveniently you must have a smartphone equipped with a camera and a QR code reader/scanner application feature. Luckily, the newer smartphones models available today often have an app pre-installed on them. However if you aren't lucky enough to have that work done for you, it's nothing a quick push of a button can fix. All you have to do is visit your phone's app store (examples include the Android Market, Apple App Store, BlackBerry App World, etc.) and download a QR code reader/scanner app.

So, now that you have the tools you need, let's get to scanning. Go out and find yourself a code. Get out your phone and open the app you've downloaded or that it came with. Do your best to steady your hand while the QR code is centred on the screen.

As soon as it is done scanning, whatever information, videos, webpage URL's, etc. were stored in the QR code should present itself for your viewing pleasure.

On top of a hill,

Or under a tree

There are so many place Moorray Cowburn may be

All in her paddock where she graze

LPS students can now walk on by in amaze.

DAIRY ASSISTANCE FUNDING 2016

In 2016 the Victorian Government implemented a response package to assist dairy farming families. This included assistance for primary and secondary students attending schools (government and non-governments) where one or both parents:

- own an operating dairy farm;
- are share farmers on a property primarily operating as a dairy farm;
- hold a lease for an operating dairy farm;
- work as an employee on an operating dairy farm and this is their main source of employment.

This one-off payment of \$375 per student is only available in 2106 and will be paid to the school for eligible students. The CSEF eligibility criterion is being extended consistent with the 2016 drought

Families that have previously qualified for the 2016 CSEF Drought assistance are not able to also access the CSEF Dairy assistance funding. The Dairy Assistance CSEF payment will be paid to the school that the student is currently enrolled at the start of Term 3 2016.

Eligibility for the dairy assistance is outlined on the application form. Parents can apply for the dairy assistance funding by completing the application form and lodging it with their child's schools by 18 November 2016.

Applications are available at the office or can be downloaded on compass or our webpage under the parents tab and select Forms.
