DAIRY ASSISTANCE FUNDING 2016

In 2016 the Victorian Government implemented a response package to assist dairy farming families. This included assistance for primary and secondary students attending schools (government and non-governments) where one or both parents:

- own an operating dairy farm;
- are share farmers on a property primarily operating as a dairy farm;
- hold a lease for an operating dairy farm;
- work as an employee on an operating dairy farm and this is their main source of employment.

This one-off payment of \$375 per student is only available in 2106 and will be paid to the school for eligible students. The CSEF eligibility criterion is being extended consistent with the 2016 drought

Families that have previously qualified for the 2016 CSEF Drought assistance are not able to also access the CSEF Dairy assistance funding. The Dairy Assistance CSEF payment will be paid to the school that the student is currently enrolled at the start of Term 3 2016.

Eligibility for the dairy assistance is outlined on the application form. Parents can apply for the dairy assistance funding by completing the application form and lodging it with their child's schools by 18 November 2016.

Applications are available at the office or can be downloaded on compass or our webpage under the parents tab and select Forms.
